

Application Data Sheet

Company Name:

Name: Phone: Email:

Application: Position:

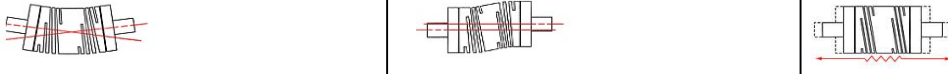

Environment:

Performance Requirements:

Operating torque: Maximum Torque: Speed:

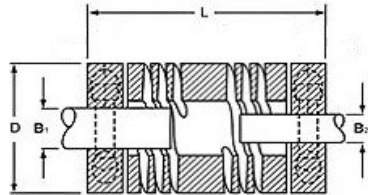

Drive Condition: Continuous _____ Reversing _____ Stop/Start _____ Maximum Weight:

Angular Misalignment: Parallel Misalignment: Axial Motion:

Desired Torsional Rate: Maximum Inertia: Maximum Weight:

Size Requirements:

B1 Bore Size: B2 Bore Size: Max/preferred OD: Max/preferred length:

B1 Attachment: B2 Attachment:

Other Information:

Please fill the form out to the best of your ability and email to engineering@rocomcorp.com. You can also speak with an engineer at 805-862-4424.
